Dear Magni:

I will be very happy to see you. The earlier part of October would be better for me, but suit your convenience. If you can, why not come directly from Lansing— there must be a ~~taxi~~ plane connection via Milwaukee that would avoid the necessity of going via Chicago. October 4— 6 would do very well, if you want me to suggest a more definite date, but if you would prefer to visit Chicago first, the following week is equally satisfactory.

Yours sincerely,
